Files Edited	Description
Yellow Fill = affect multiple mods	Thank to the WolvenKit developers team. They test around 70 popular mods and write a list of which mods are still compatible or not to the Next Gen patch. This give us a better idea of which files might change. Click here to see the full list.
	Here the list of files and mods that are incoporated/included
scripts\game\cameras\exploration\jumpCamera.ws	and outdated/incompatible for Next Gen Patch Absolute Camera
